

# Support Coordination Agency Selection Form

In order to access services funded by the New Jersey Division of Developmental Disabilities, you will need to have a Support Coordination Agency (SCA).

You may find potential SCAs through the Provider Search Database at <https://irecord.dhs.state.nj.us/providersearch>, using the following four steps: **(1)** under Filter, select "Service" and check Support Coordination; **(2)** select "Medicaid Approved" and check the box; **(3)** select "County Served" and select the county in which the individual resides; and **(4)** click the magnifying glass. If you do not have a preference, you can choose to have the Division auto-assign one to you.

A Guide to assist individuals and families in choosing a Support Coordination Agency is also available at The Boggs Center on Developmental Disabilities at <http://njsupportingcommunitylives.org/people-and-families/information-selection/>.
